Equine Behaviour Questionnaire

Do you have any other horses? If so, please list and describe sex, age and breed:

Does your horse have any known previous history of behavioural issues?

Is there any relevant previous veterinary/injury history?

What is your horse's lifestyle like? For example, stabled, kept out, how many in a field?

What is your daily feeding regime? What do you feed? Does this change depending on the season?

If you ride, what tack do you use? Please include anything you may apply for certain disciplines.

Which vet practice is your horse currently registered with?

Equine Behaviour Questionnaire

If your horse was registered with another veterinary practice in the past, please provide the details of that practice.

When was the most recent equine dentist visit?

When was the most recent back and saddle check?

Is your horse shod? How frequently? How is your horse with your farrier?

What type of headcollar do you use?

In your own words, please describe the main problem(s) in your horse's behaviour:

When was the first incident? Please describe it in detail:

Equine Behaviour Questionnaire

Please describe two more occasions and what you think may have been happening at the time:

1.

2.

What do you think the triggers are for these behavioural issues? Why do you think your horse displays this behaviour?

Have there been previous attempts to rectify the situation? If so, what methods have been used?

Does your horse display any other unwanted behaviours?

What outcome would you ideally achieve from a referral behavioural consultation?

Realistically, how many hours do you feel you spend directly with your horse per week, for example, during play, training, exercising, relaxing together, quality time together?

Equine Behaviour Questionnaire

Has euthanasia been considered for your horse?

How did you hear about us at DVBP?

This form is to be completed by the owner or someone with full permission to provide information and authorities.

- ☐ I am the owner
- ☐ I have the required permission

Our experienced clinical animal behaviourists work with our in-house veterinary behaviourists on each of their cases. If deemed necessary, this case may be discussed with our in-house internal medicine specialist.

- ☐ I have read and understood

Permission to use information

- ☐ I consent to photographs and videos of my animal being used in printed and online publicity and promotional materials. What am I consenting to? (www.donovanvetbehaviour.com/promotions/)

- ☐ I consent to student/trainee involvement and the use of consultation information, recordings, photographs and videos for training, education and research purposes. What am I consenting to? (www.donovanvetbehaviour.com/consent/)

Please note that all consultations are on the basis that a veterinary referral is obtained, access to veterinary records are given and a copy of the vet report will be sent to your vet upon completion.

Do you agree to the Terms and Conditions? (www.donovanvetbehaviour.com/terms-conditions/)

- ☐ I have read and agree to the Terms and Conditions

Thank you for taking the time to complete this form.
